INSILICO METABOLISM SOFTWARE
NONCOMMERCIAL LICENSE AGREEMENT

THIS IS A LEGAL AGREEMENT BETWEEN THE UNDERSIGNED USER (“USER”) AND FRED HUTCHINSON CANCER RESEARCH CENTER (“LICENSOR”). READ THIS AGREEMENT CAREFULLY BEFORE USING THE DISK CONTAINING THE INSILICOMETABOLISM SOFTWARE (“SOFTWARE”) THAT ACCOMPANIES THIS AGREEMENT.

BY LOADING THE DISK CONTAINING THE SOFTWARE ONTO A COMPUTER OR OTHERWISE USING THE SOFTWARE, USER IS AGREEING TO BE LEGALLY BOUND BY THE TERMS OF THIS AGREEMENT.

1. License. The Software was developed in collaboration with Duke University. Subject to the terms of this Agreement, LICENSOR grants to USER and USER accepts from LICENSOR a non-exclusive, non-transferable, perpetual, limited right and license to execute and use the object code version of the Software as well as any accompanying documentation solely for non-commercial research and education purposes (“License”). The term "non-commercial" means academic or other scholarly research which is neither undertaken for profit, nor intended to produce works, services, or data for commercial use.

2. No Updates or Maintenance. LICENSOR may, in its sole discretion, provide updates and modifications to the Software, but LICENSOR is under no obligation to develop or make available any updates or modifications. LICENSOR is not required to perform or provide any maintenance relating to the Software.

3. Restrictions. The License is limited to the USER and persons under his or her immediate supervision. USER agrees not to provide access to or use of the Software to any other person or entity. The License is provided only for noncommercial research and educational purposes and is not provided as a professional service or as an aid in providing medical, nutritional or other advice for specific patients or clients, and user shall not access or use the Software to provide such advice or for any other clinical purposes. USER may not assign, license or transfer the License to any other person or entity without the prior written consent of LICENSOR, which may be withheld in LICENSOR’s sole discretion. Any such assignment, license or transfer without such consent is void.

4. Warranty Disclaimer. USER AGREES THAT THE SOFTWARE AND ANY ACCOMPANYING DOCUMENTATION ARE MADE AVAILABLE "AS IS" AND WITH ALL FAULTS, AND LICENSOR DISCLAIMS ALL WARRANTIES AND MAKES NO REPRESENTATIONS THAT THEY ARE FREE FROM ERRORS, SUITABLE FOR THE PURPOSES FOR WHICH USER INTENDS TO USE THEM OR FREE OF INFRINGEMENT OF THIRD PARTY PATENT, COPYRIGHT OR OTHER PROPRIETARY RIGHTS.

5. Limitation of Liability. LICENSOR, its officers, authors, Software developers, employees, students and agents, shall not be liable for any damages of any nature whatsoever, in any way related to the Software or this Agreement, even if advised of the possibility of such damages. LICENSEE acknowledges and agrees that the Software is experimental and is made available by LICENSOR to support non-commercial research and education and that without this limitation of liability, LICENSOR would not be able to make the Software available on these
6. **Indemnification.** USER accepts full responsibility for its use of the Software, and, if permitted by the laws applicable to USER, agrees to indemnify, defend and hold harmless LICENSOR against any claim, judgment, settlement, liability, loss or expense of any kind (including, without limitation, legal fees) arising out of or alleged to arise out of any use of the Software or any accompanying documentation by USER or any breach of this Agreement by USER.

7. **Term and Termination.** The term of this License is perpetual. LICENSEE’S failure to comply with this Agreement automatically revokes its License to use the Software and terminates any and all rights granted to it under this Agreement. USER’S obligations to LICENSOR will continue upon termination of its rights under this Agreement.

8. **Publications.** USER agrees to include an appropriate acknowledgment in all publications or presentations resulting from the use of the Software. Acknowledgments will (a) include reference to Dr. Cornelia Ulrich of Fred Hutchinson Cancer Research Center and Dr. Fred Nijhout and Dr. Mike Reed of Duke as co-developers of the Software, (b) state that development of the Software was supported by grant awards NIH RO1 CA105437 and NSF DMS0109872, and (c) acknowledge any collaborative relationship or other contribution of the Software co-developers. USER also agrees to provide a copy of any proposed publication or presentation at least ten (10) days prior to its submission or presentation by submitting it electronically to Cornelia Ulrich at nulrich@fhcrc.org. All manuscripts submitted will be kept confidential.

9. **Other Terms.** This Agreement is the entire agreement between USER and LICENSOR relating to the Software and its use. Any other agreements between USER and LICENSOR regarding the subject matter of this Agreement are superseded and have no force or effect. All rights not expressly granted herein are reserved. This Agreement shall be governed by the laws of the State of Washington without regard to its choice-of-law principles. Any suit, action, or proceeding arising out of or relating to this Agreement shall be decided in King County, Washington.

I hereby agree to abide by the terms and conditions as provided in the **INSILICO METABOLISM SOFTWARE NONCOMMERCIAL LICENSE AGREEMENT**. I understand that any violation of the aforesaid terms and conditions may result in the revocation of my license privileges and/or disciplinary action may be taken. I further agree to report any misuse of the software. Misuse means any violations of this license, or any inappropriate use that is not included in the license.
